Mirrors	At least one rear view mirror must be securely mounted.	☐	☐
Tires	Tires must have at least 3/32" tread depth. Tires must be in good condition with no cracks or bulges in sidewalls or cords showing. Pressure's set. **Minimum speed rating of H.**	☐	☐
Wheels	Torque lug nuts to factory specs. Bent or cracked wheels are not acceptable.	☐	☐
Windshield	No cracks or obstructions and all devices hanging from the mirror must be removed.	☐	☐
Seat Belts	DOT approved factory seatbelts in good condition (driver and passenger) The installation of non-factory restraint systems must meet Manufacturers Safety Specifications	☐	☐
Roll Bars	All open cars and soft tops must have adequate roll bars. The deployable roll bars or a factory hard top are adequate.	☐	☐
Auxiliary Equip	The mounting and installation of such equipment must be inspected for safety Any camera must be installed before this inspection and secured metal to metal including a safety strap around the camera.	☐	☐
Exterior	You may want to cover your headlights, front bumper, and leading edges of your bodywork to prevent wear and tear from driving on the racetrack at high speeds. We suggest Blue painters tape, Track Armour, TrakkTape, and Tracwrap are available from Amazon and designed for Track Day Event paint protection.		

I certify that I have inspected the vehicle noted above and have noted herein that the vehicle meets or exceeds the requirements for high-speed operation, is track worthy and is safe to participate in this driving event.

Inspector's Signature _____ ***Inspector's Name***_____ **Date** _____

Driver's Release & Acknowledgement: I hereby acknowledge that the above inspection performed on my vehicle by myself or the above Inspector and any further inspections by representatives of SRE is solely for the purpose of meeting minimum standards of car preparation for SRE events. No representation, either expressed or implied, is made by the above Inspector or representatives of SRE, as to the track worthiness or fitness of my vehicle for driving in the events: nor are there any implied warranties in passing or failing the inspection. I hereby release and agree to hold harmless and indemnify the above Inspector, his/her employer (if any), and any and all representatives of SRE of any and all liability arising from their inspection(s). I hereby also acknowledge that I am not relying solely on any of these inspections as to the track worthiness, condition or preparation of my vehicle for any events. I agree that I am and will remain solely responsible for any and all liabilities and/or damages involving my vehicle that result from either mechanical failures or negligence during any SRE driving events caused by my car or another driver's car. I understand that I have given up substantial rights by signing this release and have signed it freely.
